Family & Friends CPR/AED Training

Sunday, March 11

1 p.m. to 4 p.m.

Newton North High School Cafeteria

Learn how to:

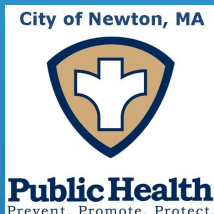

- Respond in a medical emergency
- Perform basic adult and child CPR
- Provide adult and child relief of choking
- Use an Automated External Defibrillator (AED)

Registration information:

www.newtonma.gov/aed

or (617) 796-1420

- For Newton residents age 14 and older
- The course involves working on your hands and knees, bending and standing.
- You may wish to bring a small towel or mat to kneel on.

The American Heart Association Family & Friends CPR/AED course does not provide a certification card, and is not suitable for AHA re-certification. If you need a CPR card for a job or volunteer position, this is NOT the course for you.
